**Monumental Inscription**

We have now recorded most of the graves IN THE Heptonstall old churchyard. The massive task of putting the information onto a data base and then checking that all is correct is still to be done. We will arrange a meeting in the spring to check each grave with it's transcription,.....watch this space!

**HBLHS Programme**

In this year's programme there is one meeting that is of particular interest to our group:-

**27th January George Redmonds West Yorkshire Place-Names in Context**
